

2028 ANTARCTICA CIRCUMNAVIGATION

Grand Expedition aboard *Le Commandant Charcot*

RESERVATIONS OPEN DECEMBER 11, 2025

Aboard *Le Commandant Charcot*, the world's only luxury icebreaker, PONANT EXPLORATIONS invites you on a **61-night full circumnavigation of Antarctica** between January and March 2028—a once-in-a-lifetime journey tracing the continent's frozen frontier.

Elemental. Immersive. Transformative.

Experience the most complete Antarctica expedition ever undertaken.

HIGHLIGHTS INCLUDE:

- Sail roundtrip from **Ushuaia** through legendary southern seas few have ever reached—**Bellingshausen, Amundsen, Ross, and Weddell**.
- Stand before towering **ice shelves**, witness drifting **tabular icebergs**, and explore **remote islands** shaped by wind and time.
- Venture below the **Antarctic Circle** with **polar experts**, seek out **emperor penguins**, and encounter whales, seals, and seabirds in their pristine habitats.
- Step ashore to visit **historic explorers' huts and modern research stations** that bring Antarctica's past and present to life.
